Education

Acharya Institute of Technology	Bengaluru, KA
Bachelor of Engineering: Artificial Intelligence and Machine Learning (GPA: 8.53)	2023 - 2027
KLE Independence college	Nipani, KA
Science (PCMB)	2021 - 2023

Projects & Research

Acharya Institute of Technology	Bengaluru, KA
Doctor's Assistant	May 2025 - Complete
- Developed an AI-powered Doctor's Assistant integrating FastAPI, React, and Gemini API for patient data management and clinical decision support. - Implemented intelligent medical query handling and automated report analysis to assist physicians in patient diagnosis and treatment planning.	
Acharya Institute of Technology	Bengaluru, KA
Employee Payroll Management System	Feb 2025 - Complete
- Developed a full-stack Employee Payroll Management System using FastAPI, React, and MySQL for automated salary computation and employee record management. - Implemented secure authentication, real-time payroll processing, and intuitive dashboards for HR efficiency and transparency.	
Acharya Institute of Technology	Bengaluru, KA
Cough Signature Analysis: An AI-Powered System for Early Illness Classifier	Nov 2025 - Complete
- Built an end-to-end AI pipeline using React (frontend) and FastAPI (backend) to analyze cough audio using mel-spectrogram-based classification. - Integrated a 1-channel ResNet18 model with Grad-CAM explainability to classify COVID, Asthma, and Healthy cough patterns with clinically interpretable insights	
Acharya Institute of Technology	Bengaluru, KA
Smart Board to Slide Deck Converter	July 2024 - Complete
- Developed a tool to convert smart board content into structured slide decks using React and AI-based content parsing. - Automated layout generation and content organization for efficient presentation creation.	

Skills & Interests

- Technical:** Python (Beginner), C (Beginner), Java (Beginner), MongoDB (Beginner), MySQL (Beginner)
- Language:** English (Fluent), Hindi (Fluent), Marathi (Fluent)
- Tools & OS:** Jupyter Notebook, Eclipse, Windows, Linux
- Interests:** AI, Problem Solving, New Technologies

Certifications

- Networking and Administration Fundamentals - **LinkedIn Learning**, Sep 2025
- Data Science Professional Certificate by KNIME - **LinkedIn Learning**, Sep 2025
- Introduction to Artificial Intelligence - **Infosys Springboard**, May 2025
- Advanced Data Structures and Algorithms in Python - **Infosys Springboard**, Dec 2024
- Operating System Course: Learn Fundamentals of Operating System - **Scaler**, Dec 2024
- Java Programming - **Great Learning**, Nov 2024
- References:** Available Upon Request
